

The Place for Ideas

Figli di un territorio dalla storia manifatturiera centenaria come Vicenza, siamo ad oggi una realtà internazionale, specializzata nella produzione di sedute di design per ambienti office e community. Dal 1976 ricerchiamo quotidianamente nuove frontiere di comodità e progettazione. I nostri prodotti uniscono la qualità e l'unicità del Made in Italy, apprezzate negli oltre 40 Paesi in cui siamo esportatori. Viviamo nel presente ma con un occhio sempre rivolto al futuro, così da anticipare le necessità dei nostri clienti e soddisfare ogni tipologia di esigenza, dalla comodità della seduta, alla sua qualità estetica. Ogni prodotto è un pezzo della nostra storia, un valore a cui ci ispiriamo, una fiaba all'interno di un libro che racconta chi siamo.

Rooted in hundreds of years of Italian manufacturing history, we've grown to the international level, designing and crafting seating for offices and community environments around the world. Since 1976, we've worked constantly to stay at the forefront of comfort and design. Our products combine the quality and unparalleled appeal of Made in Italy products, and are well received by each of the 40 countries we currently export to. We live in the present but with an eye always on the horizon, to foresee and satisfy any need, from comfort to aesthetics. Each product is a piece of our history, a value that inspires us, a page of a book that tells our story.

L'autenticità contraddistingue LUXY in ogni fase del processo industriale. Questo grande valore, da oltre quarantacinque anni di storia, si esprime in:

**TRADIZIONE:** siamo eredi di un'artigianalità conosciuta in tutto il mondo. La maestria del passato ci accompagna con costanza nella crescita internazionale del nostro prodotto.

**INNOVAZIONE:** sperimentiamo l'inesplorato alla ricerca di nuove frontiere di comodità e design in un'ottica di utilizzo di risorse e materiali al passo con l'evoluzione tecnologica del nostro settore.

**CREATIVITÀ:** ingegno, passione e curiosità alimentano l'unicità dei nostri prodotti, frutto dell'unione di internazionali e brillanti menti creative.

**MADE IN ITALY:** crediamo nei valori della nostra terra, culla della tradizione manifatturiera. I nostri prodotti, esportati in oltre 40 Paesi, raccontano la qualità nella lavorazione delle materie prime italiane nel mondo.

Authenticity is what sets apart every phase of Luxy's manufacturing process. For over 45 years, we've expressed this value through:

**TRADITION:** We are heirs to craftsmanship known throughout the world. The mastery of our past stays with us as we expand into international markets.

**INNOVATION:** We experiment the unexplored in search of new frontiers of comfort and design and aim to use resources and materials in line with the technological evolution of our sector.

**CREATIVITY:** Ingenuity, passion and curiosity fuel our design process, resulting from the union of brilliant and creative minds around the world.

**MADE IN ITALY:** We believe in the values of our land, a cradle of manufacturing tradition. Our products are testament to the quality of Italian raw material handling.

La nostra azienda lavora con dedizione ed estrema cura nel rispetto dell'ambiente che ci circonda. Per questo, siamo certificati:

1. UNI ISO 9001: Sistemi di gestione qualità
2. UNI ISO 14001: Sistemi di gestione ambientale
3. UNI ISO 45001:2018 Sistemi di Gestione per la Salute e la Sicurezza sul Lavoro
4. SA8000: 2014 Sistemi di Gestione Responsabilità Sociale
5. CAM EN ISO 14021: Certificazione ambientale di prodotto

Seguiamo un processo produttivo sostenibile, frutto di una filiera locale. Il territorio che tuteliamo è padre delle pregiate materie prime che scegliamo per realizzare i nostri prodotti. Assicuriamo al cliente il massimo in termini di qualità, sicurezza e durabilità dei prodotti nel tempo.

Our company works with dedication and extreme care to respect the environment that surrounds us. We hold the following certifications:

1. UNI ISO 9001: Quality Management Systems
2. UNI ISO 14001: Environmental Management Systems
3. UNI ISO 45001:2018 Occupational Health and Safety Management Systems
4. SA8000: 2014 Social Responsibility Management Systems
5. CAM EN ISO 1402: Environmental Product Certification

We've employed a sustainable production process that relies a local supply chain. The land we protect is the precious source of the raw materials we choose to make our products. We assure our customers the best in terms of quality, safety and durability over time.

# DIREZIONALI

SEDUTE DIREZIONALI/ EXECUTIVE CHAIRS

# ITALIA

Design by Favaretto & Partners

Stile sinuoso in un contesto di silenziosa creatività. Italia racconta la lineare determinazione e l'avvolgente accoglienza di una seduta pensata per ambienti di lavoro dal design minimal e ricercato. Disponibile in tre varianti, Italia coccola il corpo con le sue curve modellate e le cuciture a vista regalando personalità, stabilità e comfort alla quotidianità della persona che la utilizza.

Sinuous allure in creative silence. Italia is the story of linear determination and a welcoming embrace for refined, minimalist offices. Available in three different versions, Italia cocoons the body with its curves while visible seams lend a sense of personality, stability and comfort to daily life.

# NULITE

Design by Luxy R&D

Fascino e disinvolta per una collezione che premia il buon gusto. Nulite è la seduta dal carattere elegante che arricchisce lo spazio nel quale è inserita, regalando una sensazione di piacevole luminosità e coinvolgente decisione. Dotata di un meccanismo decentrato multiblock, è espressione di estrema polifunzionalità, nonché oggetto di design perfetto per rispondere alle esigenze di utilizzatori ambiziosi e attenti all'aspetto stilistico della loro seduta.

Charmingly at ease, Nulite is a celebration of good taste. With a decidedly elegant character, the chair accents any space with an airy and decisive flavor. Complete with a multiblock mechanism, the chair offers multifunctional performance and high design that answer to the needs of the most ambitious and design-oriented professionals.

# LIGHT

Design by Luxy R&D

Leggerezza atemporale, frutto di maestosa professionalità. Light è la seduta che racconta gli oltre quarant'anni di storia Luxy, combinando bellezza, artigianalità e resistenza nel tempo. La lavorazione senza viti a vista ne fa un oggetto in grado di valorizzare l'ambiente nel quale è ospitata, rendendolo altamente sofisticato. La morbidezza delle linee e la cura estrema dei dettagli contribuiscono a creare un insieme completo e coerente nella sua esclusiva armoniosità.

Timeless and weightless, from the mind of a true maestro. Light envelops our 40 years of history into a single chair, combining beauty, artisanal skills, and durability. Crafted without visible screws, the chair embellishes any environment with its unabashed sophistication, while its soft lines and attention to details exude harmonious exclusivity.

# BEA

Design by Doriana e Massimiliano Fuksas

Creazione armonica per una seduta dal design galattico. Bea è il prodotto nato dalla volontà di coniugare estetica e comodità, senza rinunciare all'utilizzo della tecnologia. La sua forma regala una piacevole sensazione di protezione, i colori nei quali è declinata sono il carattere identificativo di uno stato d'animo che la sedia vuole raccontare al mondo che la circonda. Ergonomica e adattabile ad ogni posizione del corpo, trasmette rapidità e immediatezza grazie ai pulsanti push&click con cui modellarne le componenti a piacimento.

A harmonious line for an intergalactic design. Bea brings together aesthetics and comfort with a dash of technology. Its shape creates a pleasant protective sensation while its colorways express a state of mind to the surrounding world. Ergonomic and adaptable to any position, Bea features push&click buttons that allow pieces to be adjusted quickly.

# ONE

Design by Luxy R&D

Raffinata unicità per una collezione che esalta la tradizione manifatturiera. One è la seduta realizzata in pelle con cui arredare la propria postazione di lavoro. Disponibile in versione dirigenziale e visitatore, è impreziosita da dettagli sartoriali e cuciture a vista che ne valorizzano la bellezza estetica e funzionale. Le imbottiture regalano alla seduta un'aria maestosa e danno la percezione, a chi ne fa uso, di concedersi una pausa di piacere nella dinamicità del quotidiano.

A refined and unique design in an homage to traditional manufacturing, One brings leather back into the workplace. Available in two versions—executive and guest—the chair features sartorial detailing and visible seams to highlight its aesthetic and functional beauty. The chair's padding adds a majestic air while allowing those who use it to take a break during a dynamic workday.

# POP

Design by Air Design

Compostezza grintosa, freschezza dinamica. La seduta Pop è studiata per far scendere in pista la freneticità del quotidiano e la vitalità delle idee. Il sedile e lo schienale si adattano al peso di chi ne fa uso, mentre la scelta cromatica dona fisicità a quella pungente estrosità che intende esaltare. Ideata per sostenere il peso della creatività, Pop unisce semplicità e funzionalità in un'ottica di ottimizzazione delle prestazioni lavorative.

Gritty, fresh and dynamic. Pop was designed to fuel chaotic workdays and vital ideas. The seat and backrest adapt to bodyweight while the colorways express an in-your-face whimsy. Designed to support the weight of creativity, Pop brings simplicity and function together to optimize the workday.

# SMARTBACK

Design by Luxy R&D

Estetica accattivante, funzionalità vincente. SmartBack è la seduta dall'aspetto energico che ben si adatta a contesti bisognosi di leggerezza e ariosità. La struttura a griglia in poliammide caricato con fibra di vetro rende lo schienale traspirante e la tecnologia flessibile le permette di seguire i movimenti del corpo. Pensata per accompagnare chi ne fa uso attraverso una lunga giornata lavorativa, SmartBack è la soluzione adatta a chi cerca un posto comodo dove far crescere le proprie idee.

Captivating aesthetics and winning functions. SmartBack exudes energy, making it perfect for spaces in need of lightweight vibes. The mesh-inspired structure—in polyamide loaded with fiberglass—makes it breathable while the flexible technology allows it to follow the body's movements. Designed for long days, SmartBack is a perfect for those in need of a space for their ideas to flourish.

# OVERTIME EVO

Design by Luxy R&D

Geometrica semplicità per una linea senza spazio e senza tempo. Overtime Evo è la sedia dal carattere spensierato ed energico da utilizzare in qualsiasi ambiente di lavoro per la sua vivacità. Ergonomia e design moderno la rendono un prodotto completo in termini di estetica ed evoluzione meccanica. Dinamismo tra stabilità e movimento per l'utilizzatore nello spazio lavorativo. Al passo con la freneticità del mondo contemporaneo.

Geometric simplicity beyond space and time. Overtime Evo exudes a carefree and energetic vibe, perfect for livening up workspaces. With a contemporary ergonomic design, the chair is highly evolved, both in aesthetics and mechanics. Dynamic yet stable, the chair responds to the daily needs of the high-paced contemporary workplace without skipping a beat.

# EPOCA

Design by Stefano Getzel

Raffinata adattabilità e armonica multifunzionalità. Epoca è un sistema di sedute dalla forte personalità pensato per essere declinato in base al contesto e alle modalità di utilizzo. Con la sua forma, abbraccia l'utilizzatore regalandogli accoglienza e comfort senza privarlo della libertà necessaria per concedersi un momento di relax. La scocca con finitura goffrata e le nuove colorazioni ne fanno un oggetto di design versatile, pulito e mai scontato. Disponibile anche in versione lounge per donare all'attesa il gusto del piacere.

Refined adaptability and harmonious multifunctionality. Epoca is a seating collection with a strong personality designed to suit any context. Thanks to its shape, the chair offers the body a comforting embrace without limiting movement. The shell with an embossed finish and new colors make it a versatile piece of design that is never predictable. The chair is also available in a lounge version to make waiting pleasant again.

# BLOOM

Design by Luxy R&D

Alberi in fiore, profumo di primavera. Bloom è la seduta disponibile in tre misure, sbocciata dall'unione di artigianalità e ingegno. Le sue linee morbide la rendono delicata e confortevole allo stesso tempo. Declinata in diversi modelli e con basi girevoli, coniche, regolabili o fisse, è l'ideale per arredare spazi community che richiedano una certa attenzione all'estetica. Le tante colorazioni dai toni pastello la rendono perfetta anche in contesti privati che necessitano di essere personalizzati.

Blossoming flowers, spring is in the air. Bloom is available in three different sizes, rooted in craftsmanship and ingenuity, with soft lines that make it both delicate and comfortable. With a swivel, conical, adjustable or fixed base, the chair is ideal for furnishing community spaces where aesthetics count, while the palette of pastel colorways make it easy to personalize.

# CLUSTER

Design by Luigi Vittorio Cittadini

Composizioni geometriche personalizzabili. Cluster è la seduta senza regole che risponde alle esigenze e ai gusti di ogni persona. Modellabile in base alle proprie necessità, è un oggetto d'arredo che regala carattere all'ambiente nel quale viene inserita. Con i suoi elementi compositivi, trasmette stabilità e compostezza. Una tela su cui ciascuno può dare sfogo alla propria creatività, disegnare le proprie emozioni, raccontare la propria storia e realizzare un oggetto dalla singolare unicità.

Customizable geometric compositions. Cluster is a chair that obeys no rules to meet any needs or tastes. Personalize the piece around any whim, Cluster will respond accordingly while adding a dash of personality to any space. Piece together its sturdy elements: Cluster is a blank canvas to express creativity, tell a story or create an object that is entirely unique.

**CLUSTER**

Modelli CLD e CL10 B/ CLD and CL10 B model

La linea Cluster, lo scorso 8 dicembre al Penn1 di Manhattan, ha vinto la diciassettesima edizione del Best of the Year Award di Interior Design Magazine nella categoria “Contract seating collection”, rivista americana che ogni anno premia i prodotti più innovativi e i progetti più sorprendenti di tutto il mondo.

I Best of Year Awards di Interior Design Magazine rappresentano per Luxy un importante riconoscimento che evidenzia ancora una volta la capacità del marchio di rispondere alle nuove esigenze con uno sguardo al futuro attraverso prodotti unici, concepiti come un “luogo” fondamentale al servizio della creatività e dell'espressione delle persone, sinonimo di qualità e artigianalità abbinati a tecnologia e sostenibilità.

The Cluster collection, on December 8 at Penn1 in Manhattan, won the Interior Design Magazine's 17th Best of the Year Awards in the “Contract seating collection” category. Each year, the American magazine honors the most innovative products and amazing designs from around the world.

Interior Design Magazine's Best of Year Awards represent an important recognition for Luxy that once again underscores the brand's ability to respond to new needs with an eye to the future through unique products conceived as a fundamental “place” at the service of people's creativity and expression, synonymous with quality and craftsmanship combined with technology and sustainability.

# RIBELLE

Design by Favaretto & Partners

Sostanziale e sapientemente intrecciata. Ribelle rompe tutti gli schemi e riscrive il concetto di seduta. La sua struttura verniciata la rende adatta ad ambienti indoor e outdoor, e la sua sobrietà ne fa un oggetto da utilizzare in contesti community con uno stile fortemente urbano, underground. Sei finiture diverse per una seduta dal taglio originale composta interamente d'acciaio, in grado di coniugare comfort e funzionalità.

Cleverly interwoven substance. Ribelle breaks all the molds and redefines seating. Its varnished structure makes it suitable for both indoor and outdoor spaces, while its clean lines make it suitable for community environments with an underground urban feel. Six different finishes allow you to personalize the steel chair, the perfect combination of comfort and function.

# AIRE JR

Design by Stefano Getzel

Taglio moderno, design all'avanguardia. Aire Jr è la seduta che racconta la piacevolezza dell'attesa, mettendo in mostra una classe innata e una capacità artigiana senza limiti. Ispirata alle regole dell'architettura moderna, è costituita da una struttura base tondeggiante su cui si sviluppano, come a sembrare sospesi nel vuoto, la seduta e lo schienale. È il luogo perfetto su cui prendere decisioni.

A modern shape, an avant-garde design. Aire Jr makes waiting pleasant again, showing off its innate sophistication and craftsmanship that knows no bounds. Inspired by modern architecture, the chair sits on a rounded base from which the seat and backrest bloom, as if suspended in air. The perfect place to make decisions.

# NESTAR

Design by Luxy R&D

Struttura, determinazione, versatilità. Nestar è la seduta che fonde in un unico segno la robustezza e l'agilità con l'eleganza e l'originalità del design. Ideata per ambienti grandi e polifunzionali o per piccole sale d'attesa, è la poltrona perfetta per regalare un'identità ad ogni tipologia di contesto. Disponibile in molteplici colorazioni, arreda senza appesantire, personalizza senza impegnare. Nestar trasmette fiducia, sicurezza e forza mentre comunica una durabilità nel tempo degna della qualità più elevata.

Structure, determination and versatility. In a single design, Nestar combines reliability with agility and elegance with originality. Designed for large multifunctional spaces or small waiting rooms, Nestar is the perfect armchair for areas in need of personality. Available in a variety of colors, the chair embellishes without weighing down and adds personality without overwhelming. Nestar exudes reliability, trust, safety and strength while conveying durability over time that is worthy of its quality.

# ESSENZIALE

Design by Luxy R&D

Sostanziale, primaria, immediata. La seduta Essenziale racchiude, nelle sue forme geometricamente disegnate e nella sua semplicità, la voglia di evadere dalla confusione quotidiana e rinascere, nel segno di una comodità accessibile e ordinata. Disponibile sia con basamento a quattro gambe che a slitta, è impilabile, adatta ad essere riposta in spazi ristretti. Una seduta decisa e squadrata per arredare con gusto e minimalismo ambienti di ogni tipologia.

Substantial, elementary, immediate. With its simple, geometric form, Essenziale inspires us to escape from everyday chaos to accessible and orderly comfort. Available on four legs or with a sled base, the chair is stackable, making it ideal for small spaces. A strong, geometric chair to furnish any space with tasteful minimalism.

# AMARCORD

Design by Luxy R&D

Contorni netti, struttura possente. La seduta Amarcord vuole dare nuovamente voce al passato mentre reinventa il futuro. La forma squadrata è espressione di un'architettura minimalista nelle cui linee si va ad inserire la necessità di oggetti di design semplici e decisi. Adatta a contesti ricerati e innovativi, Amarcord è dotata di accessori che permettono la ricarica di dispositivi mobili tramite USB. La tradizione che incontra la tecnologia.

Sharp contours, powerful images. Amarcord looks to the past to reinvent the future. The squared-off shape expresses an innate minimalism that responds to a need for simple and decisive minimalism. For refined and innovative spaces, Amarcord also allows you to charge USB devices. Tradition, meet technology.

# PONTE

Design by Mario Ruiz

Senza limiti. Ponte è il divanetto declinabile in svariate soluzioni, forme e colorazioni. L'imbottitura in schiumato freddo poggia su una base pulita ma resistente, che regala al prodotto intero raffinatezza e unicità. Le disposizioni in linea retta, curva, tonda, monofacciale o bi-facciale esaltano la sua versatilità che si rispecchia anche nelle molteplici possibilità di utilizzo, con l'aggiunta di soluzioni tecnologiche e combinazioni all'avanguardia.

Limitless. Ponte is a loveseat that can do it all thanks to its variety of solutions, shapes and colors. With cold foam padding, Ponte sits on a clean but sturdy base that lends the entire piece a refined and unique allure. With straight, curved, round and double-sided pieces, Ponte offers an endless variety of possibilities that reflect endless possible uses, including technological solutions and avant-garde combinations.

# CUBE

Design by Luxy R&D

Cura del dettaglio, minimalismo, eleganza. Cube è espressione di piacevolezza e comodità senza eguali. Il basamento con piedini verniciabili in vari colori e l'imbottitura, impreziosita artigianalmente dall'effetto trapuntato sullo schienale, ne fanno un'oasi di relax. Da inserire in contesti privati o lavorativi, Cube completa l'arredamento andando a riempire lo spazio in maniera sofisticata e totalizzante. L'oggetto di design che meglio racconta la passione per la bellezza.

Attention to detail, minimalism and elegance. Cube is an expression of unrivaled pleasantries and comfort. The base can be painted different colors while the quilted backrest makes it an oasis of relaxation. For either home or work spaces, Cube embellishes spaces with its attention-getting sophistication. A piece of design that speaks of a passion for beauty.

# **BIGA**

Design by Favaretto & Partners

Uno spazio all'interno di un altro. Biga è la seduta pensata per regalare un momento di privacy a chiunque ne abbia bisogno. La sua forma e maestosità raccontano un progetto fatto di coraggio, passione e immaginazione. La versione con schienale alto è stata studiata per ridurre al minimo il riverbero acustico, mentre quella a ruote è espressione di movimento, dinamicità e continua evoluzione.

A niche within a niche. Biga is a chair designed to offer moments of privacy to anyone in need. Its shape and masterful design are the result of a courageous design process fueled by passion and imagination. The version with a backrest was designed to reduce acoustic vibrations to a minimum, while the version on wheels is an expression of movement, dynamics and continuous evolution.

# PUZZLE

Design by Itamar Harari

Incastri e composizioni artistiche. Puzzle è un invito alla creatività. Sistema modulare poliedrico dalle linee pulite e dal tessuto liscio, è un insieme di tasselli con cui giocare per realizzare combinazioni adatte al contesto di riferimento. La sua struttura in polimero termoplastico lo rende leggero e facilmente spostabile, regalando, a colpo d'occhio, una sensazione di pia- cevolezza e benessere condita con un pizzico di brio, energia e modernità.

Interlocking artistic compositions. Puzzle is an open invitation to express creativity. The polyhedric modular system featuring clean lines and smooth fabrics is a set of pieces that can be combined to suit any space. In thermoplastic polymer, Puzzle is lightweight and easy to move about, lending a pleasant sense of comfort with a lively, energetic and modern touch.

# TIMELESS

Design by Andrea Citton

Leggerezza eterea, bellezza ricercata e comodità innata. Timeless racchiude nella sua armoniosa semplicità la mutevolezza delle cose regalando un momento di completa distensione del corpo e della mente. L'imbottitura della seduta rilassa i sensi mentre il design, mix di essenzialità e tecnologia, si sposa alla perfezione con un ambiente moderno, deciso, open air. Come un'opera d'arte, Timeless nella sua autenticità domina lo spazio in cui si trova.

Eternal weightlessness, refined beauty and innate comfort. With its harmonious simplicity, Timeless expresses the beauty of change while offering moments of total relaxation for both body and mind. The seat's padding puts the senses at ease while the design—blending the essential with technology—is the perfect addition to a modern, decisive and open-air space. A work of art in its own right, Timeless dominates any space with its authenticity.

TAVOLI  
TAVOLI/ TABLES

# CRONO

Design by Favaretto & Partners

Complemento d'arredo funzionale in ogni sua modalità d'impiego. Crono è lo scrittoio dalle linee morbide e tondeggianti pensato per contesti lavorativi, privati e spazi community. Declinato in sei colori, è un inno all'energia della creatività e alla bellezza della semplicità mai scontata. Un disegno geometrico capace di attirare l'attenzione e rendere davvero smart lavorare da casa. Il vano porta oggetti elettrificabile è il dettaglio che rende l'insieme unico.

Functional in every way, Crono is a soft and curving desk designed for any work environment, be it at home or in a collaborative space. Available in six colors, Crono is an ode to the energy of creativity and the beauty of simplicity. With a geometric design that catches the eye, the table can make working from home really work. Completing the table is an accessories nook, with optional electrical sockets.

# IN COLLECTION

Design by Air Design

Linea snella, taglio moderno. InCollection è una collezione di tavoli che risponde alle esigenze di chiunque necessiti un punto d'appoggio esteticamente bello e tecnicamente funzionale. La geometrica attenzione nella cura del dettaglio si rispecchia nelle due versioni disponibili: inQuadro e inTondo, accomunate da versatilità e grande capacità di ottimizzazione degli spazi.

Slim and modern, InCollection tables are the answer to anyone in search of an aesthetically appealing and highly functional surface. The designers' attention to geometric detail is expressed through two versions: inQuadro and inTondo—square and round—with a common versatility and ability to optimize spaces.
